## EARLYON FAMILY ENRICHMENT

900 Bloem St. North Bay, ON  
705-472-2152

### FAMILY ENRICHMENT PROGRAM

Offered to expectant parents, guardians/parents with children 0-6 years of age, and/or guardians/parents seeking custody of their child(ren) under 6 years.

Registration is required to participate in this **FREE** program, that offers guardians/parents a **break from their child(ren)**, so they can further their education in parenting and personal life skills. Children are cared by staff and volunteers while **parents attend their own class**.

Through our partnership with the Nipissing Parry Sound Catholic District School Board (NPSCDSB), **high school credits can be earned** while attending this program, and **transportation is provided**, within the city limits. We are a non denominational program that prides ourselves on creating a **safe, caring, and non-judgmental environment** that all will feel welcomed in.

Programs run Monday - Friday each morning, 9 - 11:30 am, during the school year. Registered participants will attend **one morning a week**.

**Additional supports and resources** are given as needed, on an individual basis.
