## Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of The District of Nipissing Social Services Administration Board (the "Board") are the responsibility of the Board's management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgement, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Board's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by Management.

The Board of Directors meets with Management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by BDO Canada LLP, independent external auditors appointed by the Board. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Board's consolidated financial statements.

## Independent Auditor's Report

---

To the Directors of District of Nipissing Social Services Administration Board

### Opinion

We have audited the consolidated financial statements of District of Nipissing Social Services Administration Board (the "Entity"), which comprise the consolidated statement of financial position as at December 31, 2020, and the consolidated statement of operations and accumulated surplus, consolidated statement of changes in net debt and consolidated statement of cash flows for the year then ended, and consolidated notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2020, and its consolidated results of operations, its change in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

## Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Nature of the Organization

The District of Nipissing Social Services Administration Board (the "Board") delivers integrated social services comprised of Ontario Works, Children's Services, Social Housing and Emergency Medical Services to the citizens of the District of Nipissing. The Board's basic principles are to offer simplified access to service, enhanced customer service and sensitivity to language and cultural diversity.

The participating municipalities are as follows:

- The Corporation of the City of North Bay
- Municipality of West Nipissing
- Municipality of East Ferris
- Municipality of Temagami
- Township of South Algonquin
- Township of Bonfield
- Municipality of Calvin
- Township of Papineau-Cameron
- Town of Mattawa
- Township of Chisholm
- Township of Mattawan
- Certain unincorporated areas in the District of Nipissing

## 1. Significant accounting policies:

The consolidated financial statements of the Board are prepared by management in accordance with Canadian generally accepted accounting principles for government organizations as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. Significant aspects of the accounting policies adopted by the Board are as follows:

### (a) Basis of consolidation:

Consolidated entities:

These consolidated financial statements reflect the assets, liabilities, revenues, and expenses of the reporting entity. The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the Board and which are owned or controlled by the Board.

These financial statements include the Nipissing District Housing Corporation.

All inter-departmental and inter-organizational transactions and balances between these entities and organizations have been eliminated.

## 1. Significant accounting policies (continued):

### (b) Basis of accounting:

Revenue and expenses are reported on the accrual basis of accounting.

The accrual basis of accounting recognizes revenue as they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

### (c) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

#### (i) Tangible capital assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis using the following annual rates:

| Asset                           | Useful Life - Years |
|---------------------------------|---------------------|
| Buildings                       | 40 to 60            |
| Office equipment                | 5                   |
| Computer equipment and software | 4                   |
| Ambulances and other vehicles   | 7                   |
| Medical equipment               | 5                   |
| Machinery and equipment         | 10                  |
| Leasehold improvements          | Over term of lease  |

Amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for use.

#### (ii) Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are recorded as revenue.

## 1. Significant accounting policies (continued):

### (d) Reserves and reserve funds:

Certain amounts, as approved by the Board, are set aside in reserves or reserve funds for future operating and capital purposes. Transfers to and/or from the reserves and reserve funds are an adjustment to the respective fund when approved.

### (e) Revenue recognition:

Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled

Rent and other revenue is recognized when services are provided and there is reasonable assurance of collection. Investment income earned on surplus funds is reported as revenue in the period earned.

### (f) Investments:

Investments are recorded at cost. Investments are written down where there has been a loss in the value that is other than a temporary decline.

### (g) Use of estimates:

The preparation of the consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant items subject to such estimates and assumptions include valuation allowances for receivables and valuation of the Canada – Ontario Affordable Housing Program Loans. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

## 9. Pension Agreements:

The Board makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of full-time and part-time members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. The OMERS Board of Directors, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. OMERS provides pension services to nearly half a million active and retired members and approximately 1,000 employers.

Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of the all pension benefits that members have earned to date. The most recent actuarial valuation of the plan was conducted at December 31, 2020. The results of this valuation disclosed total actuarial liabilities of \$113,055 million in respect of benefits accrued for service with actuarial assets at the date of \$109,844 million indicating a going concern actuarial deficit of \$3,211 million. Because OMERS is a multi-employer plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the organization does not recognize any share of the OMERS pension surplus or deficit. Contributions made by the Board to OMERS for 2020 were \$715,927 (2019 - \$713,369).

## 10. Contingent assets:

Included in the Social Housing Program expenses is \$545,554 (2019 - \$439,906) in grants to individuals with forgivable conditions. In total, \$4,632,268 of these grants has been advanced since 2009. These grants are issued to low income home owners as loans forgivable over periods ranging from 10 to 20 years. However, if the house is sold before the forgiveness period, the home owner must repay a pro-rated amount back to the Board. If the Board receives funds because of a homeowner selling their property, the amount is used by the Board to grant a new loan to another low income homeowner. To date, a total of \$372,745 has been repaid of which \$67,160 was in 2020.

## 12. Uncertainty due to COVID-19:

The impact of COVID-19 in Canada and on the global economy have been significant. As the impacts of COVID-19 continue, there could be further impact on the Board, its employees, suppliers and other third party business associates that could impact the timing and amounts realized on the Board's assets and future ability to deliver services and projects. At this time, the full potential impact of COVID-19 on the Board is not known. Although the disruption from the virus is expected to be temporary, given the dynamic nature of these circumstances, the duration of disruption and the related financial impact cannot be reasonably estimated at this time. The Board's ability to continue delivering non-essential services and employ related staff will depend on the legislative mandates from the various levels of government. The Board will continue to focus on managing expenditures and government funding to ensure it is able to continue providing essential services to the district.

## 16. Segmented information (continued):

### Healthy communities fund

This fund is comprised of 100% municipal funding distributed as grants to support programs and services that target low income families and individuals in the District of Nipissing. This fund replaces the NCB savings, and the OCB Reinvestment fund, that represented municipal savings from OW financial benefits to families that were to be reinvested into programs and services that supported low income families as mandated by the Province.

### Homelessness program

Consists of the Homeless Partnering Strategy and Reaching Home programs fully funded through ESDC. The program promotes strategic partnerships and structures including housing solutions and stable supports, to assist homeless persons to move toward autonomy and self-sufficiency.

For each reported segment, revenue and expenses represent both the amounts that are directly attributable to the segment as well as amounts that can reasonably be allocated to the segment. Administration costs are allocated to the program based on an availability of funding as well as an estimate of their consumption of administrative services. The accounting policies utilized in these segments are consistent with those followed in preparation of the consolidated financial statements as disclosed in Note 1.
