

Monthly Parent Contribution Estimation

Yearly Net income - spouse 1

Yearly Net income spouse 2

Subtotal

Estimated Parent Monthly Contribution Towards Child Care

If the full cost of your child care exceeds the estimate amount, you may be eligible for child care fee assistance.

Calculation Notes:

If Subtotal is less than \$20,000, then no payment

If subtotal is greater than \$20,000, but equal to or less than \$40,000 then parent pays 10%

If subtotal is greater than \$40,000 then parent pays 10% of \$20,000 and 30% of balance
