300 CHRISTMAS LUNCHES DELIVERED TO TENANTS

North Bay, ON – The Nipissing District Housing Corporation (NDHC) is spreading some holiday cheer to its tenants in North Bay, West Nipissing and Mattawa. Staff delivered nearly 300 Christmas turkey lunches December 14, 15 and 16. The meals, catered by local businesses, were well received by tenants.

“Delivering these meals gives NDHC staff the opportunity to connect personally with tenants while spreading a little cheer, which can be even more important at holiday time,” says NDHC Board Chair, Dave Mendicino.
